SHELVES FOR CUSTOMIZED SINKS

Stainless steel shelves. The undershelf must be ordered together with the sink, because of the special adaptation.

It must be ordered in the same time.

602 602

Shelves for made-to-measure sinks for lengths (mm)	Reference	Price
700 to 1000	602 601	
1001 to 1200	602 602	
1201 to 1400	602 603	
1401 to 1600	602 604	
1601 to 1800	602 605	
1801 to 2000	602 606	
2001 to 2200	602 607	
2201 to 2400	602 608	
2401 to 2500	602 609	

Others dimensions: please consult us.
Perforated lower shelf, the linear metre, ref: 701 547

CUSTOMIZED WALL SINKS

Stainless steel welded construction, with upstand height 100 mm. Rounded front edge and rounded upstand are similar to those of the stainless steel tables and units. 3 covered sides. Grooved draining boards, anti-drip edges. Soundproofed basins and draining boards. Fixture by 2 or 3 walls supports under upstand with 2 jacks for horizontal adjustment. Delivered with overflow tube and siphon. Optional mixer tap. Please specify when ordering position of basins and drilling diameter for the tap (1 hole - 2 holes) or no drilling (wall tap).
